PUBLIC NOTICE TO PROPERTY OWNERS IN MILL CITY

Control of Noxious Vegetation Required

Mill City Municipal Code Section 8.04.080 requires property owners to control and eliminate noxious vegetation on property within the city limits from May 15 to September 30 each year. No owner or person in charge of property shall allow noxious vegetation to be on the property or in the right of way of a public thoroughfare abutting on the property. An owner or person in charge of property shall cut down or destroy grass, shrubbery, brush, bushes, weeds or other noxious vegetation as often as needed to prevent them from becoming unsightly, from becoming a fire hazard, or, in the case of weeds or other noxious vegetation, from maturing or from going to seed. The term "noxious vegetation" includes,

- (a) Weeds or grass more than 10 inches high.
- (b) Poison oak or poison ivy.
- (c) Blackberry bushes that extend into a public thoroughfare or across a property line.
- (d) Vegetation that is either a health hazard, fire hazard, or a traffic hazard because it impairs the view of a public thoroughfare or otherwise makes use of the thoroughfare hazardous.

The control of noxious vegetation is the property owner's responsibility. However, the city is willing to abate the nuisance

on a particular parcel of property at the request of the owner or person in charge of the property for a fee sufficient to cover the city's abatement costs. Even in the absence of such requests, the city may abate all such nuisances 10 or more days after publication of this notice and charge the cost to the property owner or to the person in charge of the property or to the property itself.

The purposes of the city's ordinance are to encourage property owners to eliminate fire hazards which can be caused when high grass and noxious vegetation is close to combustible structures/buildings and to improve the appearance of the city's residential neighborhoods. Mayor Kirsch and the City Council thank you in advance for complying with the city ordinance.

CLEAN UP DAY CANCELLED

We are sorry to announce that the City of Mill City's annual spring clean up day has been cancelled for 2021. The site at which this has historically been held has been leased to FEMA to place housing for those displaced by the September wildfires.

We apologize for the inconvenience but know our citizens understand the need to provide this land for our friends and neighbors.

**CANYON CATALYSTS PLANNING UPCOMING
VOLUNTEER OPPORTUNITIES!
COME JOIN THEIR CAUSE.**

There will be a meeting of the Canyon Catalysts on Wednesday, May 12, 2021 at 6:30 PM at Mill City City Hall.

The Canyon Catalysts is a group of volunteers whose mission is to “bring back the pride in our community by promoting, preserving, and revitalizing its quality of life.” They try to assist the City by completing beautification projects including painting benches, picnic tables, fences, garbage cans and fire hydrants; picking up garbage in the parks and streets; overall park improvements such as pressure wash-

ing play equipment and sidewalks, weeding and planting flowers.

The Canyon Catalysts would like to extend a warm welcome to anyone interested in these activities. The group will set up calendars and citizens are encouraged to come and help in those activities that they are interested in. These volunteer opportunities are a great time to help the City, teach your child(ren) about community volunteering, connect with old friends and make new ones!

After the May 12th meeting, a list of volunteer opportunities and a calen-

dar of volunteer events will be posted on the City’s website.

Come hear what the Canyon Catalysts have to say, what projects they have in mind and bring your own! The group is always looking for new project ideas to help beautify the community and bring our citizens together.

Hope to see you there!

MILL CITY 4TH OF JULY COMMITTEE TENTATIVELY PLANNING 2021 CELEBRATION

The Mill City 4th of July Committee is in the preliminary stages of a tentative plan for holding a 2021 Independence Day Celebration. While this is wonderful news as we all need a little bit of normalcy and celebration of this great country in which we live, the timing is short. If

the celebration comes to fruition, it will take a village, as they say, to make it happen. The 4th of July Committee has put a call out on social media for assistance from anyone willing and able to help put on this year’s event.

For more information, to contact a

committee member, or to follow the updates as to if the celebration will be occurring visit the Mill City 4th of July Celebration or Mill City Fourth of July Committee facebook pages.

Thank you to the members and others who are dedicated to celebrating our Independence!
