**NOTICE OF PUBLIC HEARING:
SITE PLAN REVIEW – SANTIAM JR/SR HIGH SCHOOL FACILITIES**

The City has received a land use application from the Santiam Canyon School District. The District proposes to redevelop the Santiam Jr./Sr. High School property. The project includes demolition of existing classrooms, construction of new classroom buildings, construction of a second gymnasium, new parking areas, street, curb and sidewalk improvements and modifications to the parking area at the Santiam Elementary School site on the south side of SW Evergreen Street. The schools are located in the Public (P) zone. New school buildings and facilities are an allowed use in the Public zone, subject to a site review and approval by the Planning Commission.

A public hearing concerning the matter will be held before the Planning Commission on Tuesday, December 17, 2019 at their regularly scheduled meeting beginning at 6:30 p.m. at the City Hall at 444 1st Avenue in Mill City. The Planning Commission will make its decision based on decision criteria found in the Mill City Municipal Code, Title 17 – Zoning Code, Chapter 17.76 “Site Plan Review”. The Searchable City Code can be viewed under “Documents” at the City of Mill City website: <http://www.ci.mill-city.or.us/>

The application, decision criteria and staff report will be available at City Hall seven days prior to the hearing.

The Planning Commission may either approve, deny or approve the application with conditions or modifications. Any person wishing to provide testimony must address the decision criteria. Failure to raise an issue precludes appeal and failure to specify to which criterion the comment is directed precludes appeal based on that criterion.

City Hall is accessible to persons with disabilities. Please call City Hall (503.897.2302) by noon the day before the meeting if you need an interpreter for the hearing impaired or any other special accommodation or if you have any questions related to the application.

The gas pumps will be added to the existing site of the Santiam Sportsman Center at the corner of NW 9th Avenue and NW Alder Street. The site plan also shows a future coffee stand on the property.
