EOE. Closing date: Open until filled.

CONTROL OF NOXIOUS VEGETATION REQUIRED

Mill City Municipal Code Section 8.04.080 requires property owners to control and eliminate noxious vegetation on property within the city limits from May 15 to September 30 each year. No owner or person in charge of property shall allow noxious vegetation to be on the property or in the right of way of a public thoroughfare abutting on the property. An owner or person in charge of property shall cut down or destroy grass, shrubbery, brush, bushes, weeds or other noxious vegetation as often as needed to prevent them from becoming unsightly, from becoming a fire hazard, or, in the case of weeds or other noxious vegetation, from maturing or from going to seed. The term "noxious vegetation" includes,

- (a) Weeds or grass more than 10 inches high.
- (b) Poison oak or poison ivy.
- (c) Blackberry bushes that extend into a public thoroughfare or across a property line.
- (d) Vegetation that is either a health hazard, fire hazard, or a traffic hazard because it impairs the view of a public thoroughfare or otherwise makes use of the thoroughfare hazardous. The control of noxious vegetation is the property owner's responsibility. However, the city is willing to abate the nuisance on a particular parcel of property at the request of the owner or person in charge of the property for a fee sufficient to cover the city's abatement costs. Even in the absence of such requests, the city may abate all such

nuisances 10 or more days after publication of this notice and charge the cost to the property owner or to the person in charge of the property or to the property itself.

The purposes of the city's ordinance are to encourage property owners to eliminate fire hazards which can be caused when high grass and noxious vegetation is close to combustible structures/buildings and to improve the appearance of the city's residential neighborhoods. Mayor Kirsch and the City Council thank you in advance for complying with the city ordinance.

For more information call:
Stacie Cook, MMC, City Recorder
897-2302 (City Hall).

PUBLIC HEARING NOTICE—SCSD CONDITIONAL USE PERMIT

The Santiam Canyon School District has submitted a land use application requesting the City approve a conditional use to allow the District to relocate and operate a portion of their Career Technical program on a 0.23-acre parcel at 424 SW Cedar Street. The School District has graded and placed gravel on the entire lot, as well as a metal shed, logs and equipment. The District requests the City authorize future use of the site for machinery operation by students as well as storage of logs, equipment and materials. The proposed site plan shows the property will be fenced with a 6' chain link fence around the entire site with entry/exit gates on SW Cedar St. and SW 4th Avenue. The property is zoned Residential (R-2), which permits educational facilities as a conditional use.

A public hearing concerning the matter will be held before the Planning Commission on Tuesday, June 16, 2020 beginning at 6:30 p.m. at the City Hall at 444 1st Avenue in Mill City. The Planning Commission will make its decision to either approve or deny the Conditional Use Permit request based on decision criteria found in the Mill City Municipal Code, Title 17 "Zoning Code", Section 17.52.020 and Section 17.52.030. If the Conditional Use Permit is approved, the Planning Commission may require the School District to comply with specific conditions regulating the use of the site including, but not limited to, the time of operation, fencing, landscaping, noise levels, etc. The Searchable City Code can be viewed under "Documents" at the City of Mill City website: <http://www.ci.mill-city.or.us/>

The application, decision criteria and staff report will be available at City Hall seven days prior to the hearing. The Planning Commission may either approve, deny or approve the application with conditions or modifications. Any person wishing to provide testimony must address the decision criteria. Failure to raise an issue precludes appeal and failure to specify to which criterion the comment is directed precludes appeal based on that criterion.

City Hall is accessible to persons with disabilities. Please call City Hall (503.897.2302) by noon the day before the meeting if you need an interpreter for the hearing impaired or any other special accommodation or if you have any questions related to the application.

Congratulations Santiam High School Class of 2020!!

City of Mill City Council & Staff

Pacific Power generously donated equipment, staff and time to hang banners for the Santiam High School Class of 2020. The banners are located on SW Evergreen Street across from the high school.

"I hope your dreams take you to the corners of your smiles, to the highest of your hopes, to the windows of your opportunities, and to the most special places your heart has ever known."

—Unknown

May each tomorrow be everything you dream.

MILL CITY FOURTH OF JULY COMMITTEE NOTICE OF CANCELLATION

VEHICLE BRIDGE CLOSURE

Thursday, May 14, 2020

To All Media Outlets, Vendors, Sponsors, Governmental Entities, and Supporters:

After corresponding with vendors, local fire and government officials, and carefully weighing health and economic impacts, the Mill City 4th of July Committee has decided to forego its annual Celebration for 2020.

We will keep planning so 2021 can be BIGGER and BETTER!

Please contact the Committee with any questions.

See you in 2021!

Roads

The City of Mill City has been notified by Legacy Contracting, Inc. of the impending closure of the vehicle bridge across the North Santiam River.

The bridge was set to be closed to one lane traffic beginning May 18 and running through June 15, 2020. From June 15, 2020 to September 4, 2020 the bridge was to be closed to all traffic, reopening to one lane on September 4 through November 4, 2020.

Due to unforeseen circumstances this closure has been delayed. It is expected that the closure will begin within the next month. Please prepare for a wait time to cross the bridge soon!
