POPPA AL'S DONATES 125 GIFT CARDS TO THOSE AFFECTED BY COVID-19

MILL CITY, ORE. JULY 14, 2020 – Santiam Canyon residents who are adversely affected by the COVID-19 pandemic have a local opportunity to cash in on a generous offer from Poppa Al's Famous Hamburgers. Poppa Al's is donating up to 125 "Poppa Cares" gift cards, pre-loaded to cover a Classic Cheeseburger or Super Budget Meal.

Once the initial gift card is redeemed, card recipients may re-charge the same Poppa Cares card for however much they wish. They will also receive a 20 percent discount when they present the card to make future purchases. This benefit will be available to card recipients through the end of 2020.

"We're doing this for a number of reasons," says Poppa Al's owner Kevin Muniz. "Our primary reason is to help local residents who have been adversely affected by the pandemic. This community means the world to us and we're looking to give back in a meaningful way." Muniz also explained that, from a business

standpoint, the card provides an opportunity to try out a new technology that will replace their current paper-based gift certificate method.

"The gift card, loaded with an initial \$6 value, is essentially a three-in-one deal. In addition to one free meal, Poppa Cares cards are discount cards. The card owner will receive a 20 percent discount on all purchases through the end of the year. Also, the cards are rechargeable pre-paid gift cards. In other words, card owners can load the cards with any amount of cash they want so they can share the discount with the whole family."

Those who qualify for a Poppa Cares card include any member of the Santiam Canyon community—defined as the Highway 22 corridor from Stayton, east to Idanha—who has been adversely affected by the pandemic. This includes first responders and health care workers.

To request a card or refer someone for the program, please contact Poppa Al's at 503-897-2223.
