## *Special Provisions*

The following Special Provisions are incorporated into this permit:

1. Permit is approved per submitted drawings.
2. Work area shall be restored to original or better condition when work is completed.
3. Construction shall conform to the 2021 Oregon Standard Specifications For Construction, as modified by the submitted special provisions of the City of Mill City.
4. Applicant shall provide on-site inspection by trained and qualified personnel no less frequently than two times daily during all phases of construction.
5. Backfill material shall be Class B as specified in Section 00405.14.
6. Applicant shall provide to Linn County copies of testing reports demonstrating conformance to density requirements of Section 00405.46.
7. Contact Linn County Road Department prior to start of work and when work has been completed.
8. Applicant shall provide a set of "As-Built" engineering drawings, stamped and signed by the engineer of record. These as-built drawings will show the final construction plans edited to indicate actual construction after completion of all work within the public rights-of-way of Linn County. As-Built drawings shall be submitted electronically in .pdf format.
