Attached to this application is a copy of the City of Mill City Sign Code, Chapter 17.68 of the Municipal Code. Please read it and provide all relevant information needed to demonstrate compliance with the code. With your application, submit a plot plan of the property, with dimensions, showing the location of the sign on the site in relation to all other structures on the property, and a drawing of the sign itself, with dimensions listed and/or drawn to scale. If the sign is wall mounted or painted on a wall, show the dimensions of the face of the wall as well. All sign drawings must show finish grade and height of sign.
